

## 60 LOCAL KNIGHTS EXPECTED TO MARCH

In Grand Parade When K. T. Conclave Meets In Lexington—To Give A Dance

Richmond Commandery No. 19 will attend the 73rd annual conclave at Lexington, May 19th and 20th. There will probably be 60 Sir Knights in full uniform, preceded in line by a brass band. There will be a reception and dance given by Richmond Commandery in the Ben Ali Theatre building from 8 to 12 p. m. on the evening of the 19th. It is the desire of the Commander that all members of the Richmond Commandery attend this conclave.

Work on the preparation for the Grand Conclave, is progressing rapidly. Committees covering every phase of the big meeting have been appointed and are working hard to perfect the arrangements for which they are responsible. In addition a general committee composed of the chairman of all the regular committees, with Commander Jess Roszell as chairman, is directing the work of the general preparation.

Three full days are promised the visiting Knights and as Oleika Temple, Lexington Shrine, is planning to hold a big reception and dance for the visiting Templars on the closing night of the conclave to be followed by the largest ceremonial ever held in the city, Friday, May 21, it is expected that practically the entire number of visiting Knights Templar will remain in the city over Friday.

The following tentative program covering the activities for the three days of the Grand Conclave has been announced by the general committee. It is possible that slight changes may be made in this program before the official schedule is announced for the meeting, but this list is practically complete.

## GIVES DETAILS OF CERTIFICATION

State Superintendent Writes To Supt. Edwards Of Plans For Teaching Applicants

County Superintendent of Schools Ben F. Edwards, has received a letter from the State Superintendent regarding certification and qualification of applicants for teachers' certificates. It gives much important information for those who are planning to go into this work. The letter reads as follows:

April 10, 1920

My dear Superintendent: Just a word about certification and qualification of applicants for certificates. All questions for all examinations will be prepared by the State Board of Examiners and sent to the county superintendents under the usual restrictions. The papers when answered are sent to this office for grading. Papers are to be designated by numbers so that those grading the papers here will have nothing to govern them except a number. The superintendents, of course, will send to this department the names of the applicants corresponding to the numbers. Examinations for white and colored teachers will be held the same day and not separately as heretofore. White teachers will be examined in one room and colored in another, but on the same day and on the same subject and using the same questions.

The fee to be paid by each applicant is \$2.00. These fees shall be forwarded to the State Superintendent. The two county examiners shall be allowed \$4.00 per day for their services. These fees shall be paid by the State Superintendent out of the fees that are sent to him by the county superintendents. All certificates are of state rank. There shall be four grades of certificates issued to teachers of common schools:

(a) Teacher's Diploma.

(b) State Teacher's Certificate.

(c) Elementary Certificate of the first grade.

(d) Elementary Certificate of the second grade.

An elementary certificate of the first grade requires an average grade of 85 per cent upon all subjects in the common school course and upon the science and art of teaching including the State Course of Study for Elementary Schools. The lowest grade on any subject shall not be less than 70 per cent. This certificate is valid for four years.

An elementary certificate of the second grade shall be on the same subjects as an elementary certificate of the first grade and shall require an average of 75 per cent upon all subjects with not less than 60 per cent on any subject. This certificate shall be valid for two years and shall not be issued twice to the same person. Any holder of such certificates can teach in any county in the state.

The requirements for the State Certificate and the State Diploma remain as heretofore. No teacher now holding a State Diploma, State Teacher's Certificate or a county certificate is required to be re-examined until the expiration of such certificate. After July 1, 1922, applicants for elementary certificates shall have had at least one year of high school work or its equivalent and in addition thereto, five weeks' study of professional subjects in a State Normal school or some other training school recognized by the State Board of Education.

After July 1, 1924, such applicants shall have had two years' high school work or its equivalent and in addition thereto, ten weeks' study or professional work in a Normal school, as aforesaid. After July 1, 1926, such applicants shall have had four years' high school work or its equivalent and in addition thereto twenty weeks' study in a Normal school, as aforesaid.

All examinations for county school diploma shall be conducted by the county board of examiners. This is made a county function entirely, subject only to the approval of the State Superintendent. You will notice that no radical changes are contemplated in the requirements for teachers within the next two years. The

people have a right to expect a higher standard of qualification upon the payment of higher salaries. Teachers, I am sure, will cheerfully comply with the new requirements when they come. We must recognize that it is a tremendous task and that it will require time, patience and faith to reach even the limited goal that we have set for ourselves.

Be sure that every school in your county is supplied with a legally qualified teacher this year. No school will be taught this year by a teacher who is not legally qualified. I shall be glad to send you a copy of the certification law as soon as published.

With best personal and professional wishes, I am

Sincerely,

J. W. COLVIN

State Superintendent

**BROTHER OF  
MRS. ARNOLD DIES**

James K. Gilder, died at the Columbia Hospital in Columbia, S. C. Tuesday afternoon at two o'clock after an illness of several weeks. Dr. Gilder was 64 years old and is survived by his wife and several children. He married Miss Bessie Fant, a sister of Mrs. Pauline Arnold, of this city, who was summoned to Newberry but he had passed away before she arrived. He was a very prominent physician, having practiced 40 years in the southland. Remains were taken to Newberry for interment. The funeral was one of the most largely attended in the history of Newberry. There were 41 automobiles in the procession and the profusion of floral tributes was so great, that trucks were necessary in conveying the beautiful offerings to the grave.

## STRIKE HITS C. & O. AND STOPS TRAFFIC

(By Associated Press)  
Louisville, April 15—Reports today said the Chesapeake and Ohio railroad yards at Russell, Ky., an important junction point between Cincinnati and Ashland, struck today. It is said to have resulted in a C. & O. tie-up out of Cincinnati. It is understood the strike may spread to Ashland. If accomplished, it would suspend all C. & O. service in the Ohio Valley.

## S. S. WORKERS TO MEET TOMORROW

This is again to call the attention of all the Sunday school superintendents in Madison county to the meeting tomorrow at one o'clock at the First Christian church in Richmond. This meeting will be for the purpose of organizing the county into districts and effecting an organization in each district. District conventions will be planned. The County Convention will be held.

One of the big features of the meeting will be the discussion of the best ways to get the largest crowd in the story of the county in the Sunday schools on May 2nd, which will be To-Sunday School Day. Madison county make her quota this year. The Sunday schools are hereby instructed to set aside the collection on May 2nd for the contribution toward the state park. The quota of the county is 90.

It is hoped that every Sunday school superintendent in the county will make a special effort to be present tomorrow at one o'clock.

## Poles To Invade Germany

(By Associated Press)

## UNCLE SAM GRABS STRIKE LEADER

Strong Arm of Government Begins To Get Busy On Outlaw Railroad Strike

Federal agents in different parts of the country acted today on the nation-wide railroad strike which by holding up fuel and food is making itself felt in industry. Seven alleged leaders were arrested in Chicago with a score of others sought. In New York where food prices mounted during the strike. A flying squadron arrested a butter dealer for profiteering with other arrests in prospect.

Federal agents also announced they are investigating mail train delays with prospect of vigorous action.

The strike situation is apparently improved, except in New York where it is regarded as critical.

(By Associated Press)

Chicago, April 15—John Grunau, president of the Chicago Yardsmen's Association the "outlaw" organization which started the nation-wide strike of railroad workers, was arrested by Federal agents, who called a meeting of strikers here today. Grunau was taken in custody while addressing the meeting. Six others were also arrested.

## I. W. W. Trail Exposed

Washington, April 15—The Department of Justice made public today more documents seized from I. W. W. agitators and copies of appeals by that organization to shopmen to "throw down the labor politicians," who the appeal said, are now heading the labor unions. Appealing directly to the shopmen, one document says "the yardmen and road workers have blazed the trail. Never before have we had an opportunity to gain our ends that now faces us."

## Who Cares What He Says?

Pittsburg, April 15—W. Z. Foster, leader in the late steel strike, who name was brought out in Washington yesterday, as the prime mover behind the outlaw railroad strike, was located at his home here today. "I have been out of Pittsburg once in four months," said Foster. "Later I may have something to say about the statement made in Washington, but not now."

## RARE INVESTMENT DIES

W. H. Long, who lives on Mann's road, in Mercer county lost by death a most paying investment. He bought her 18 years ago as a calf six months old. She raised fifteen calves, several of which were sold before they were born for \$25 each. She has never been dry but twice, has furnished an abundance of milk and butter for his family. When she died he sold her hide for \$9.88, it bringing just 12 cents less than the original cost of the animal.

## ADMITTED STEALING WHISKY

### SOCIAL AND PERSONAL

#### D. A. R. Meeting

The monthly meeting of the Boonesborough Chapter D. A. R. convened at the attractive home of the Regent, Mrs. James W. Caperton Monday afternoon, April 12th. There were twenty-five members of the Chapter present. The meeting opened with the Lord's prayer, after which the minutes were read and approved. Mrs. Caperton paid a beautiful tribute to Mrs. Samuel J. Shackelford of Frankfort, our State Regent, whose sudden death occurred only recently and said

that the meeting would be a memorial to her. Mrs. J. J. Greenleaf read, "The Chambered Nautilus" by Dr. Oliver Wendell Holmes, after which the chapter stood for a few minutes through respect.

"No one hears the door that opens;

When they pass beyond our call,

Soft as loosened leaves of roses,

One by one our loved ones fall."

After a brief business session the literary program was given. Miss Emma DeJarnette gave the monthly D. A. R. Magazine report in an interesting style. Miss Mattie Tribble followed with a very delightful paper on the review of "The Hothams" by A. M. W. Sterling, a very interesting old English family. The chapter was delighted to have present Mrs. A. R. Burnam, the former Regent, who told of her recent visit South.

The social hour followed when a delicious ice course was served the hostess being assisted by Mrs. Paul Burnam, after which the meeting adjourned to meet with Miss Bessie Miller May 10th.

"Gets-It" Loosens Them So They Lift Off in A Jiffy.

The corn pains cease as soon as a few drops of "Gets-It" reach the corn. It goes out of the hurting business forever.

For a day or so the corn remains, getting looser and looser and without a twinge from it. Then it gets so loose that you just lift it right off, without even feeling it, and cast it away. That's how easily and simply "Gets-It" disposes of the corn nuisance.

"Gets-It," the unfailing, guaranteed, moneyback corn remover, costs but a trifle at any drug store. Sold by R. Lawrence & Co., Chicago.

Sold in Richmond and recommended as the world's best corn remedy by Stockton & Son, H. L. Perry & Son.

### KIRKSVILLE

Mr. and Mrs. John Bellamy entertained with an elaborate dinner Sunday in honor of Mr. and Mrs. Hobart Bellamy, who were married in Knoxville, Tenn., Thursday.

Mr. and Mrs. Wylie Sebastian were guests Sunday of Mr. and Mrs. Willie Sanders.

Mr. Eugene Spullock has begun his work in the bank here where he has accepted a position as cashier.

Friends and relatives at this place will be grieved to know that Mr. Willie Prewitt is seriously ill with typhoid fever at the home of his grandparents, Mr. and Mrs. W. T. Watson at Nina. His many friends extend their

best wishes for a speedy recovery.

Mr. and Mrs. J. Smith Hayes, of Winchester, spent the week-end with relatives here.

Mr. Robert Bellamy is on the sick list.

Brother Leo Woodward was the week-end guest of Mr. and Mrs. R. T. Long, Jr. He delivered a beautiful

address Sunday, his subject being, "The Ruling Passion". It was enjoyed by all who heard it.

Mr. and Mrs. John S. Long and Mr. Willie Long, of Hyattsville motored to this place Sunday and were guests of Mr. and Mrs. Shirley Cotton.

The Kirksville High school is very busy rehearsing their play, "A Poor Married Man", which will be given at the school building May 5th and it is expected to be the best play that has ever been put on at this place.

# Cox for President

Those Democrats in Kentucky who believe that Governor James M. Cox of Ohio because of his great ability and superior qualifications should be the next President of the United States, have decided to lay his claims before our Democratic voters with the hope that they will join us in securing delegates to the San Francisco convention, who will favor his nomination.

To secure a delegation from Kentucky to San Francisco it is first necessary that all Democrats who are for Cox shall attend the county mass conventions to be held in the various counties at 2 o'clock in the afternoon of Saturday, May 1st, and see that the delegates they send to the Democratic State Convention at Louisville, Tuesday, May 4th, are COX MEN.

This is no time for factional strife within the Democratic party. The man who undertakes to create the impression that the COX MOVEMENT is a movement in the interest of any individual branch, wing or faction of the Democratic party in Kentucky, is not a well-wisher for party unity and party success.

Former United States Senator Johnson M. Camden of Versailles has accepted the chairmanship of the organization that is being made for Governor Cox in Kentucky, and that is sufficient guarantee that the movement is not to be factional.

Gov. James M. Cox of Ohio

Senator Camden in a statement given to the press, said:

"I am for Governor Cox because I believe him to be the one man who can win against the Republicans in November. He is safe, sane and liberal, has a record in Congress, and three terms as Governor of Ohio. He is a man every inch of him, and one around whom every element in the Democratic party can rally. He began life as a newsboy and made his own way. He is a sound and successful business man, has never had any serious labor trouble during his administration.

tions in Ohio. He is broad-gauged in every respect and has proved that he can draw strength from every element of the voting population."

We endorse Governor Cox because we know James M. Cox to be one hundred per cent American, because he has demonstrated his Americanism and we know that he is the only kind of American that will be elected to the White House as the successor to Woodrow Wilson.

We know that it takes an extraordinarily good man of the Democratic party to even once carry the State of Ohio which normally is Republican by over one hundred thousand majority.

And, so we know that when a man carries Ohio three times as has Cox, he is what the fellows who go to the races call "a stake horse."

We want first a capable man in the White House and we want him to be a Democrat.

Cox is capable, Cox is honest, Cox is a Democrat, and he is the best runner in our party as it seems to us. That's why we are for Cox at this time and that's why we want Kentucky to be for Cox.

The COX HEADQUARTERS will be in the Seelbach Hotel at Louisville where communications from all who are interested in behalf of this great man should be addressed, and where all Democrats will be welcome.

### SUGAR FAMINE PREDICTED

(New York World)  
James H. Post, President of the National Sugar Refining Company, said yesterday that if people did not cut down materially on the consumption of sugar a famine would result near the end of the summer.

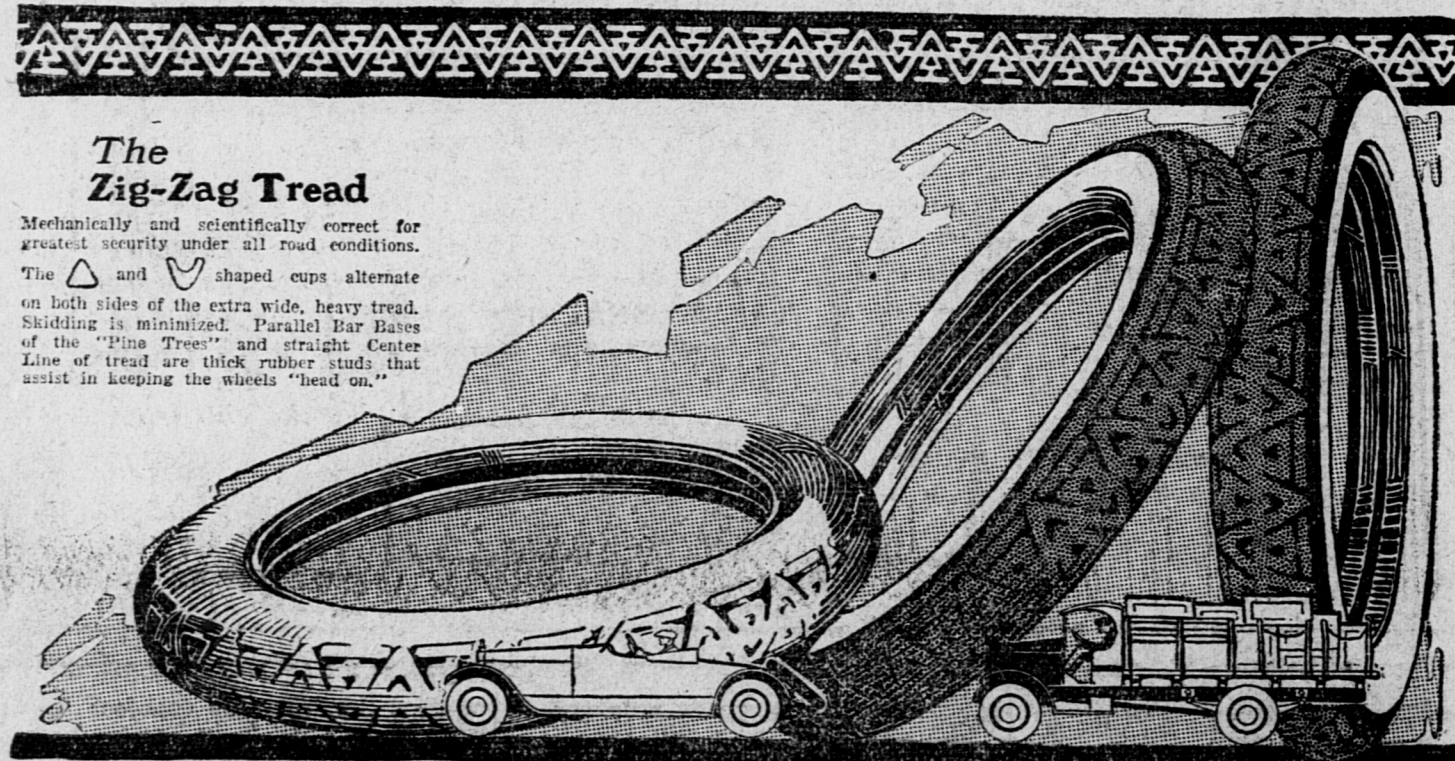

He added that there was no need for immediate alarm and continued: "We are eating a lot of candy, ice

cream, cakes and consuming beverages that require a lot of sugar. In addition large manufacturers stock up at this time of the year, for they take no chances against famine.

"The price of sugar will go higher and higher as the summer goes on. The present crop began coming in last December and will continue until near the end of summer. It is not nearly so large as had been forecast and this is another reason for telling

the people that at the present rate of consumption a famine can hardly be averted. The total crop originally was estimated at 4,000,000 tons, but that dropped to 3,900,000 tons. The last figure makes a big difference, when you consider I refer to the raw product.

"The best sugar crop, which comes in the fall may relieve the situation if we have not by that time brought an actual famine on us."

### The Zig-Zag Tread

Mechanically and scientifically correct for greatest security under all road conditions. The  $\Delta$  and  $\nabla$  shaped cups alternate on both sides of the extra wide, heavy tread. Skidding is minimized. Parallel Bar Bases of the "Zig-Zag" and straight Center Line of tread are thick rubber studs, that assist in keeping the wheels "head on."

### Three Types of Tires for Three Kinds of Use

YOU don't want a truck motor in a touring car; you use a different oil in the cylinders than in the transmission.

Different conditions must be met differently. That is why Lee builds three types of tires for three kinds of uses. The right type for your purpose is the one built especially for that use.

Consult us on tires. We'll survey the conditions your tires must meet and prescribe the Lee Tire that will serve you best—the Lee Tire that will give you maximum mileage and comfort.

## PAINT LICK BOY STICKS IN COLONELS

With the big league base ball season opening Wednesday, Clell Tatum, of Paint Lick, who has won the name "Big Bill" with the Louisville club, is still sticking in fast company, and looks like the find of the spring season, so far. In discussing the team, the base ball reporter of the Times said yesterday.

### Tatum Is Promising

"The longer Bill Tatum hangs around the faster he goes," declared one of the Cornocacker regulars while discussing the Lancaster pitcher. The Central Kentucky twirler gradually is becoming acquainted with the ways of the big-loop hurlers, which means he will travel at a gratifying pace before May 1 dawns.

Manager McCarthy considers Bill worth holding until the weather gets warm enough to wear thin togery. By that time he will have acquired a lot of valuable information from the other members of the pitching staff.

He displays a natural aptitude to "catch on" and retain what he catches. "Bear this prediction in mind: Tatum is going to be a great hurler before the present double A pennant race is over," remarked a competent judge of baseball players the other afternoon after watching the young farmer perform.

There's another lad from this section of the state, also in fast company this season. He's a Rockcastle boy and is with the Chicago White Sox. When they played at Louisville the other day the Times said:

Kentuckian and World War Veteran George Washington Payne, of Mt. Vernon, by his effective pitching for Comiskey's American League champions, compelled McCarthy and his Cornocackers to content themselves with the wee end of a 6 to 3 count yesterday afternoon at Eclipse Park. In every inning except the sixth Chicago's white-hosed twirler kept the locals from crossing the plate.

### PROF. BURNAM'S BIRTHDAY

Prof. John Miller Burnam, of Cincinnati, who was in Richmond with relatives Sunday had a birthday April 9. The "who's who" column of the Courier-Journal had the following:

John Miller Burnam, college professor was born at Irvine, April 9, 1864. He is son of the Rev. Edmund Hall and Margaret Shackelford (Miller) Burnam.

Mr. Burnam was educated at Central University, Richmond; Washington University, St. Louis and Yale University. He holds the degrees of A. B. and Ph. D. from the latter.

From 1889-91 he was professor of Latin and Greek Georgetown; assistant professor of Latin, University of Missouri, 1891-99; professor of Latin, University of Cincinnati, since 1900.

He is a member of the following societies: American Philological Association; Western Classical Association; Palaeographical Society of London and several German and French societies.

Mr. Burnam has written several monographs and articles for the leading journals of Archaeology.

His address is the University of Cincinnati, Cincinnati, Ohio.

### VETERANS OPPOSE

#### SOLDIER PRESIDENT

The Home Sector published recently the results of a poll of 210 posts of veterans' societies on a group of questions of public interest. Calling this "the voice of 10,000 veterans", the magazine summarized the vote as follows:

"Two to one against a military man for President, five to one in favor of a Federal cash bonus for veterans, three to two in favor of compulsory military training."

The actual vote was tabulated as follows:

	For	Against
Military man for President in 1920	2,398	6,068
Further Federal cash bonus	7,879	931
Federal help to put soldiers on farms	9,066	995
Compulsory military training	4,935	3,388

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

### The Woman's Tonic

She writes further: "I am in splendid health... I can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

### Theodore's Bright Idea

Theodore was fond of olives, but his father had forbidden him to eat them. At dinner one day, during his father's absence, a large dish of olives had been placed near Theodore's plate. He looked at it longingly and said: "Mama, let's play a joke on daddy and eat some olives."

## DEMOCRATIC BOSS OF ILLINOIS DIES

Chicago, April 15—Roger C. Sullivan, 59 years old, for many years democratic leader of Cook county, died at his home, 342 Wellington avenue Wednesday afternoon. Although his death was due to a sudden heart attack, his entire family was present when he passed away.

Sullivan for 20 years was the dominating figure of the democratic party of Illinois, and for many years a national figure in politics, was born at Belvidere, Ill., February 2, 1861, and was educated in the public schools there. In 1885 he married Helen M. Quinlan.

Mr. Sullivan, condemned in his own state by his opponents as a "boss," and more than once "read out" of the democratic party by William Jennings Bryan, led the movement that finally resulted in making Woodrow Wilson President. It was Sullivan, who headed the democratic delegation from Illinois at the Baltimore convention in 1912—a delegation pledged to Champ Clark—and who after sufficient ballots had been cast to discharge his obligation to Illinois resigned the state delegation to Wilson.

## "HEALER" PRAYER CIRCLES FORMING IN LEXINGTON

Lexington, Ky., April 15—As a result of the two-day mission conducted here Monday and Tuesday by James Moore Hickson, Church of England "healer," prayer circles as outlined by him may be formed in Lexington churches.

Steps will be taken at a meeting Thursday morning, called yesterday by Bishop Lewis W. Burton, Lexington diocese, to revive spiritual healing. All ministers who took part in the mission are asked to attend and other ministers will be welcome.

Several alleged cures are reported as a result of Mr. Hickson's treatment.

The "healer" made a trip Monday night through the rain to the home of a little boy in Woodford County who was dying, his parents declared, of pneumonia. Wednesday morning the child was able to sit up, his parents said.

# The Place and the People Behind Your Laundered Linen

Do you shut your eyes after your family bundle leaves your hands, or are you curious to know whence it goes and by what manner of people your linen is laundered.

Influences that have to do with the betterment of working conditions are making themselves felt in all industries, but nowhere have the results been more encouraging than in modern laundries.

Visit our modern laundry. You will find it a headquarters for cleanliness—well lighted with sunshine from many windows; the floors brightly scrubbed and sanitary; the ventilation thorough, the air sweet. You will also discover conveniences for the employees;—everything that we have come to esteem as essential for the physical and mental well-being of workers.

Or spend a few moments with the employees. You will be told of organizations for the encouragement of steadiness and thrift. But most important, you will find these workers themselves

wide-awake, neat in person, human—earnest in the performance of the service that keeps us the most cleanly clothed people in the world.

Our many employees, who are daily lightening the labors of housewives, are enjoying equally with their fellows elsewhere the industrial advantages and privileges of the times.

There is no other class to whom you can so safely entrust your family washing and the duties of washday.

We do family finished work at 15 cents a pound—that is, we wash and iron everything, including Shirts, Collars, Dresses, Sheets, Spreads, Etc., for that price.

For 10 cents per pound we do semi-finished work—that is, we iron all the flat pieces and return the rest just ready to iron.

Have our driver call for your family bundle.

## Insure Your Tires Against Punctures

**RAPID SEALER** in your tires stops punctures, insures you the pleasures of automobiling. When added to your equipment, will overcome the great inconvenience of tire trouble.

**RAPID SEALER** is a liquid, a small quantity of which, when put in a tire, will heal all punctures, even those made by a twenty-penny spike. It is a guaranteed preservative of rubber. It will lengthen the life of any tube in which it is used. It contains no injurious ingredients whatsoever.

**RAPID SEALER** will give you at least 40 per cent more mileage out of your tubes than you are now getting, because you cannot run your tires partially inflated, nor are you able to heat them up, regardless of weather or road conditions. It is not sticky or gummy and will not dry up in the inner tube. It positively will not stick the inner tube to the outer casing.

**RAPID SEALER** at the pressure required keeps your tires inflated. It prevents breaking down of side walls and fabric of outer shoe, which is the cause of a large percentage of blow outs. It will save you the annoyance caused by tire troubles and assures your reaching your destination on time.

**RAPID SEALER** is guaranteed as follows by the manufacturer, who makes good to your dealer, he in turn making good to you.

To seal all punctures above the rim from a tack to a 20 penny spike.

To preserve the rubber and give you 1000 more miles on each new casing it is used in when directions are followed and air pressure kept up to the amount required by the tire manufacturers.

Rapid Sealer has been on the market for the past six years, and has given entire satisfaction to users. It has been thoroughly tested and tried under hardest conditions and stands the test of time. Once used you will not be without it, and we feel safe to state that in the next few years it will be a rare thing to find an automobile tire not equipped with Rapid Sealer.

### THE SHEEP BREEDS

"The Shropshires are, undoubtedly the popular sheep with the American farmer," declared Stuart O. Blythe in his article on The Sheep Breeds in The Country Gentleman of April 3rd. "The farmer-flockmaster who runs a side line takes kindly to this breed from the downs of England because of its ability to carry on. Men who are keen on the Shropshires call this characteristic 'cosmopolitanism.' By this they mean that, no matter what the character of the country, the climate or other environmental conditions, the Shropshire is able to do pretty well for himself and for his owner."

Standing behind the Shrops is the largest sheep registry body in the world, the American Shropshire Registry Association. It has a membership of round 6000 and is registering between 22,000 and 25,000 animals a year.

The first known importations of Shropshires reached Virginia in 1855. Now they are scattered all over the country, with New York, Ohio, Iowa, Indiana and Illinois ranking in order of membership in the association. There is a boom in Shropshires; not so well, however, out in the sage-brush region as some other breeds.

Why does the Shropshire lead in popularity in the farm belt? Because "they're good average sheep," one farmer told Mr. Blythe. "They can get along with a minimum of care," another said. Here is the reason William F. Renk, a big Wisconsin sheep raiser, gave:

"Farmers like the looks of them. Their wool is good and their mutton is good. They are easy keepers. What more do you want?"

Governor Morrow made the address of dedication at the opening of the new Elks' Home at Shelbyville.
